We are pleased to announce that the abstract submission deadline for posters/presentations for the Annual nanoHUB User Conference has been extended until **Monday June 22nd, 2015**. Please note this is the last date that proposals will be accepted.

Additional information and instructions can be found [here](#).

The conference will be held **August 31st - September 1st, 2015**, at Purdue University in West Lafayette, Indiana, USA. **Registration for the conference is now open at:** <https://nanohub.org/groups/conference/registration>

Please feel free to forward this notice to interested parties.

If you were not in the initial mailing list and would like to subscribe to this list, please send an email to contact@nanohub.org with the subject "join".

Conference Description: The nanoHUB User Conference brings together users from research, education, and industry to network and learn from each other as well as from the nanoHUB team. Join us this year at Purdue University and hear from experienced users how nanoHUB is integrated into their research/classrooms, discover how nanoHUB is used in projects, and learn how to apply this information through a series of workshops offered by nanoHUB experts.
